We Plan, You Plant - Landscape Design Service

Wilson's Landscape Design Service is for those who want to do their own landscape installation, but want professional advice on what to plant where.

The "We Plan, You Plant" Service:

- Choose the Standard or Deluxe package & pay the \$59.00 or \$99.00 fee.
 - **Standard package (\$59.00) includes:**
 - A "quick-sketch" computer generated landscape plan to follow as you plant.
 - Plant information, including specific planting instructions, insuring you will have maximum success.
 - Quote of the estimated cost of plants and materials.
 - Personal guidance through the nursery and greenhouses to pick out the proper selection of plants.
 - **Deluxe package (\$99.00) includes:**
 - All items mentioned in the Standard package details.
 - Virtual color photo of your completed landscape at maturity. (Before and after photo)
 - An additional color version of the landscape plan.
- Take pictures of the area to be landscaped. (either digital or color photo)
- This packet will take some time and effort to complete, however the more accurate and thorough you are, the better we can provide you with a landscape design tailored to your needs. *All parts must be completed before we can start drawing your plan.* If you have questions you may either call or e-mail us at horticulturist@great-gardeners.com
- Our Design Service is for landscape design of an existing site only. It does not include designing for future decks, walkways (other than stepping stones), patios, raised/tiered beds, etc.

- After our designer has finished drawing your landscape (time frame varies from 1-3 weeks) they will meet with you at Wilson's at a mutually agreed upon time. We will contact you when your design is completed to set up your appointment.

The "We Plan, You Plant" Landscape Design Service is an inexpensive way to get professional looking results.

***Each packet purchases one plan - designing one specific area and one consultation.** Examples of one area would be: entryway, front foundation, screen planting, one side of a house, deck or patio planting, specialty garden, etc. For very large plans or those, which include more than one side of the house or area, additional packages must be purchased.

*Planting services are available (priced per plant); see a staff member for more information.
